All Status Messages

Last Modified on 01.08.26

The **All Status Messages** tool lets you view status messages in 24 different Configuration Manager console locations. The status messages displayed are context-specific, depending on where the tool is opened.

Administrative User	Application	Application Node
Boot Image	Client Settings	Collection
Content	Deployment	Device
Devices Node	Distribution Point	Driver Package
Image Package	OS Images Node	OS Install Package
Package	Package Node	Software Update Group
Software Update Package	Software Updates Node	User
User Collection	User Discovery	Users Node

Permissions

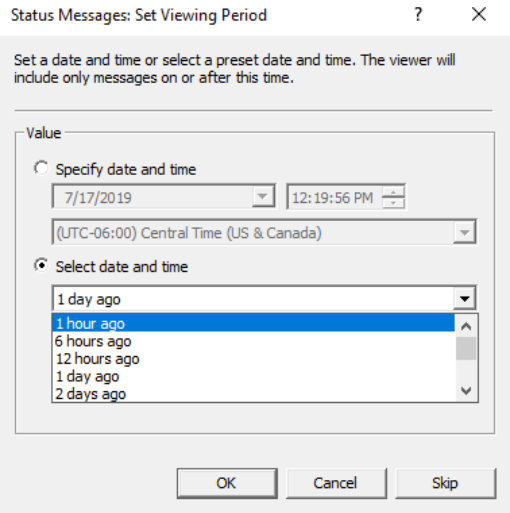

Plugin	Permissions
ConfigMgrServer	GetStatusMessageQueries RunStatusMessageQuery
LocalActions	StatusMessages

To view all status messages:

1. Right-click on any of the available console locations.

2. Click **Right Click Tools** > **All Status Messages**.

3. In the Status Messages window that opens, set a viewing period by choosing a date and time or selecting a preset date and time.

Status messages are displayed for the selected period. The list can be searched, sorted, filtered, exported, and saved.
