

# Uninstall Recast Proxy

Last Modified on 06.22.23

To uninstall Recast Proxy:

1. Open **Programs and Features** and click to highlight **Recast Proxy** in the list.
2. Click **Uninstall**.

3. To confirm the removal, click **Yes**.
4. Click **Yes** again, if prompted, to allow the app to make changes to your device.
5. Manually delete the **%AppData%\Recast Software\Recast Proxy\agent.sqlite** file for the service account.

If you are experiencing issues uninstalling Recast Management Server, you can use Microsoft's uninstaller tool to fully uninstall any lingering files. To download the tool, see [Fix problems that block programs from being installed or removed](#).
