

Computer BitLocker and TPM Details

Last Modified on 03.31.23

This report is divided into three sections:

- The first section tells you about the computer itself.
- The second section tells you about the TPM status. Click on the text to expand the section.
 - green dot: TPM has this state
 - gray dot: TPM doesn't have this state

For more details about each state, see the Microsoft [documentation](#).

- The last section displays all of the computer's drives along with each one's BitLocker status. Click on the text to expand the section.
