Computer BitLocker and TPM Details

Last Modified on 08.18.25

 This report is divided into three sections:

- The first section tells you about the computer itself.

- The second section tells you about the TPM status. Click on the text to expand the section.
    - green dot: TPM has this state
    - gray dot: TPM doesn't have this state

        For more details about each state, see the Microsoft documentation.

- The last section displays all of the computer's drives along with each one's BitLocker status. Click on the text to expand the section.
