

# Add Right Click Tools Enterprise License to Configure Recast Console Extension

Last Modified on 03.13.25

To add your Recast license file to the Configure Recast Console Extension application:

- 1. In your Configuration Manager console, navigate to Assets and Compliance > Recast Software.
- 2. Click **Configure Recast** in the 'How Can We Help?' section.

#### 3. Open the Licensing tab.

4. In the Download License section, enter your Recast Software Portal credentials.

#### 5. Click Retrieve License.

By Recast Software			Sav	re Close	e

TIP: If you downloaded your license from the Recast Portal, you can retrieve it using the Browse function.

6. If the Configuration Manager console is open during license retrieval, restart the console.

## Update a License

If you manually copied the downloaded license file to C:\ProgramData\Recast Software\Licenses, clicking the **Update** button will load the newest license file in that folder without having to close and reopen the Configuration Manager console.

To update a license in the Configure Recast Console Extension application:

### 1. Open the **Licensing** tab.

2. In the Update License section, click **Update**.
