

# License Right Click Tools with RMS

Last Modified on 03.24.25

When you add Recast Management Server as part of a new Right Click Tools Enterprise deployment or an upgrade to Right Click Tools Enterprise from the Community Edition, you'll be asked to connect to RMS when signing into Recast Software. Once you've signed in and connected to Recast Management Server, you can download your Enterprise license.

## Sign in to Recast

To sign in and connect to Recast Management Server:

1. On the Recast Software sign-in page that opens in your Configuration Manager console, enter your **Username** and **Password**.

#### 2. Click Connect to Recast Management Server.

### Download Your Enterprise License

You can download or copy licenses for your Recast Software products and components from the Recast Portal.

To locate your Recast licenses:

1. Log into the Recast Portal using your account credentials.

2. Click on the Download Licenses icon (the cloud) in any row to download a .zip file that contains all of your Recast licenses.

**NOTE**: For the Right Click Tools Community Edition, the Download and Download Licenses icons will only appear in the Community Edition row.

#### **Recast Software**

This table includes the most recent Recast Software product and component versions for active Enterprise subscriptions, as well as the current Right Click Tools Community Edition version. Download the file containing all your Recast licenses by clicking the Download License icon in any row.

NOTE: To install or update Privilege Manager or Application Manager, download the newest Recast Management Server version.
