# Count of Computers by Age

Last Modified on 08.18.25

The **Count of Computers by Age** report displays the age of your computer inventory by year.

This report drills through to:

**List of Computers by Age:** Information about a selected computer age (in years), and all of the computers in a collection.

**Computer Warranty Information:** Details about a specific computer, including its manufacturer, model, serial number. The report displays warranty details for computer hardware and software.
