Link Tenant with AM for Intune

Last Modified on 2026-11-03

To link the Intune Tenant with AM for Intune:

1. Navigate to **Administration** > **Azure tenants** in our management portal to add your or your customer's Azure for AM for Intune.

2. Click **Link tenant**.

3. Enter the tenant name. To find your tenant name, go to**Tenant administration** > **Tenant status** in the Microsoft Intune admin center and check the **Tenant details** tab.

4. Click **Link**.
