

# Link Tenant with AM for Intune

Last Modified on 08.03.23

To link the Intune Tenant with AM for Intune:

1. Navigate to **Administration > Azure tenants** in our management portal to add your or your customer's Azure for AM for Intune.
2. Click **Link tenant**.
3. Fill in the tenant name. If the tenant name is used in default format, it automatically adds the suffix `onmicrosoft.com` to it. The tenant name can be found at [https://portal.azure.com/#blade/Microsoft\\_Intune\\_DeviceSettings/ExtensionLandingBlade/tenantStatus](https://portal.azure.com/#blade/Microsoft_Intune_DeviceSettings/ExtensionLandingBlade/tenantStatus).
4. Click **Link**.
