Last Modified on 08.20.25

The Privileged Access **Agents** page shows all Recast Agents that are following group rules you've configured.

## Agents

Search...			Export	Refresh
Drag a column header and drop it here to group by that column				
Actions	Name	Domain		
 	cmcbhekcl01	contoso.com		
1			1 - 1 of 1 items	

From the **Agents** page, you can [retrieve a password](#) or [generate an activation code](#).

Click on an agent to display tabbed views of its **Group Rules**, **User Rules**, **Groups**, **Users**, **Activation Codes**, and **Retrieved Passwords**.
