Recast

View Recast Agents

Last Modified on 11.27.25

The Privilege Manager **Agents** page shows all agents that are following group rules you've configured. From the **Agents** page, you can retrieve a password or generate an activation code.

TIP: Click on an agent to display tabbed views of its groups, users, rules, activation codes, and retrieved passwords.

Agents

Actions	Name	Domain
🔑 🔓	cmcbhekcl01	contoso.com

1 - 1 of 1 items

| Current Local Groups | Current Local Users | Effective Group Rules | Effective User Rules | **Activation Codes** | Retrieved Passwords |

Drag a column header and drop it here to group by that column

Activation Type	Created (UTC) ↓	Generator	Account Activated	Category	Reason	Valid for
Activation Code	9/20/2023 1:23:23 PM	contoso\cmdemo	TempAdmin	Device installation	Install webcam	Single usage
