Edit a Service Connection

Last Modified on 06.23.23

To edit a service connection:

1. In your Recast Management Server, navigate to **Administration** > **Service Connections**.

2. Click the **Edit** button to the right of a service connection.

3. Edit service connection details (these will differ according to the connection type).

4. You can also uncheck **Confirmed** if you don't want the service connection to be available for use.

5. Click **Submit** to save your edits.
