

Add Active Directory Domains

Last Modified on 03.30.23

NOTE: AD Domains will only appear in the Recast Management Server menu for Right Click Tools Enterprise customers.

To add an AD Domain:

1. In your Recast Management Server, navigate to **Settings > AD Domains**.
 2. In the main window, click **Add**.
 3. In the **Add Domain** window, enter the **Domain** name.
 4. Click **Add**.
