

RECAST SOFTWARE

# Install Right Click Tools with RMS

Last Modified on 12.12.24

By implementing Right Click Tools Enterprise with Recast Management Server, you'll have access to the product's full functionality. Before downloading and installing Right Click Tools, make sure that the [system requirements](#) for its implementation are met.

## Implementation Approaches

- You can choose to install the console extension (Task 1) initially and then install and configure your Recast Management Server (Tasks 2-4) at a later date.
- If you already have all the prerequisites for RMS in place, you're ready to install [Recast Management Server with Recast Proxy](#), followed by [Right Click Tools with Recast Management Server](#).

To install Right Click Tools along with Endpoint Insights and Application Manager, see our [Multi-Product Implementation Guide](#).

---

## Licensing

When you add Recast Management Server as part of a [new Right Click Tools Enterprise deployment](#) or an [upgrade to Right Click Tools Enterprise](#) from the Community Edition, you'll be asked to connect to RMS when signing into Recast Software. Once you've signed in and connected to Recast Management Server, you can download your Enterprise license.

## Sign in to Recast

To sign in and connect to Recast Management Server:

1. On the Recast Software sign-in page, click **Connect to Recast Management Server**.

### Sign in to Recast Software

Username:

Password:  [Forgot Password?](#)

No account? [Register for FREE to use Right Click Tools \(required\)](#)

[Connect to Recast Management Server](#)

No internet? [Click here for directions](#)

2. Enter your Recast Management Server Name.
3. Change the port number, if needed.
4. Click **Test Connection**.
5. When your connection is successful, click **Save**.

### Connect to Recast Management Server

Enter and Verify Recast Management Server Uri

Recast Management Server Name

Recast Management Server Port

## Download Your Enterprise License

You can download or copy licenses for your Recast Software products and components from the [Recast Portal](#). Click on the cloud icon under Actions.

Name	Subscription Type	Version	Description	Upload Date	License Timeframe	Subscription Limits	Actions
Right Click Tools	Right Click Tools	5.3.2311.103	Client install of Enterprise Right Click Tools (stand alone or w/ Recast Management Server).	Nov 1 2023	Aug 2 2021 to 2025-09-02	2 devices

If your product licenses are not available via the Recast Portal, contact [Recast Support](#) or your CSM to have license files sent to you.

## View License Details

When Right Click Tools is connected to Recast Management Server, the Recast Agent will automatically update licensing information from RMS when a new software version is installed. You can check the expiration date, status, device count of all your Recast product licenses in the Recast Management Server interface.

To view licensing details in the Recast Management Server interface:

1. Access your Recast Management Server at `https://<ServerFQDN>:<Port>` in a web browser.
2. Navigate to **Administration > Licenses**.
