Edit a Group Rule

Last Modified on 09.20.23

To edit a group rule:

- 1. On the **Group Rules** page, click the Edit icon to the left of a group rule.
- 2. In the side panel that opens, edit the **Local Group**, the **Member** (Administrator, Temporary Administrator, Local Administrator), the **Validity End Time** and whether the rule is active.
- 3. Click Save.
