Add Right Click Tools Browser Extension

Last Modified on 12.03.25

You can add the Recast Right Click Tools for Intune browser extension from the Microsoft Edge Add-ons store and the Google Chrome web store.

With the browser extension added, you can then find Right Click Tools within Intune.

NOTE: In organizations that restrict browser extension access, add Recast Right Click Tools for Intune to the list of allowed browser extensions.

Microsoft Edge Browser Extension

To add the Edge browser extension:

1. In the Microsoft Edge Add-ons store, navigate to Recast Right Click Tools for Intune.

2. Click the **Get** button.

3. Confirm that you want to add Recast Right Click Tools for Intune by clicking **Add extension**.

4. Make the extension visible in your browser toolbar by clicking the Extensions icon (the puzzle piece) located in your toolbar.

5. In the drop-down menu that opens, click the Show in toolbar icon to the right of Recast Right Click Tools for Intune.

Google Chrome Browser Extension

To add the Chrome browser extension:

1. In the Google Chrome web store, navigate to Recast Right Click Tools for Intune.

2. Click **Add to Chrome**.

3. Confirm that you want to add Recast Right Click Tools for Intune by clicking **Add extension**.

4. Make the extension visible in your browser toolbar by clicking the Extensions icon (the puzzle piece) located in your toolbar.

5. In the drop-down menu that opens, click the Pin icon to the right of Recast Right Click Tools for Intune.
