

## Add Right Click Tools Browser Extension

Last Modified on 04.22.26

You can add the Recast Right Click Tools for Intune browser extension from the Microsoft Edge Add-ons store and the Google Chrome web store.

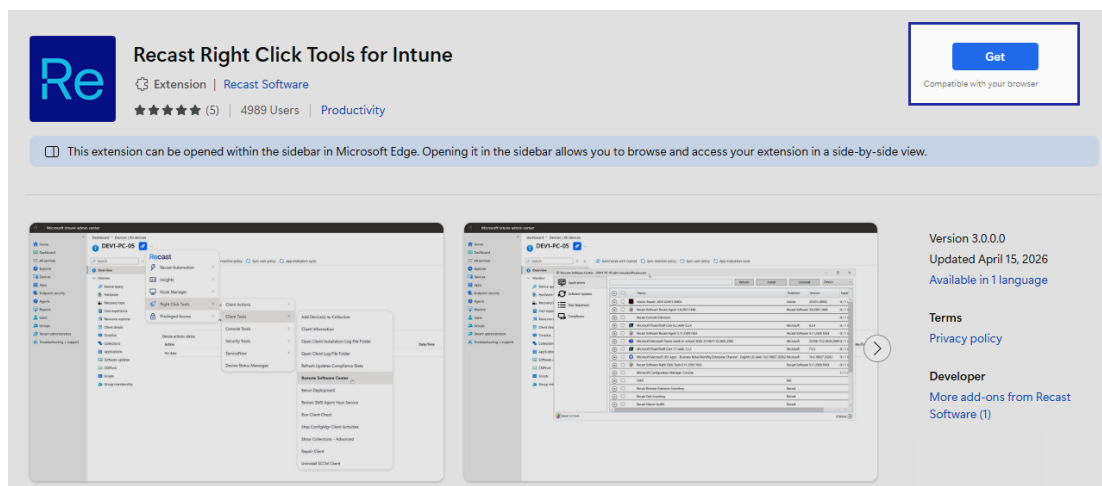

With the browser extension added, you can then find [Right Click Tools](#) within Intune.

**NOTE:** In organizations that restrict browser extension access, add Recast Right Click Tools for Intune to the list of allowed browser extensions.

### Microsoft Edge Browser Extension

To add the Edge browser extension:

1. In the Microsoft Edge Add-ons store, navigate to [Recast Right Click Tools for Intune](#).
2. Click the **Get** button.

3. Confirm that you want to add Recast Right Click Tools for Intune by clicking **Add extension**.
4. Make the extension visible in your browser toolbar by clicking the Extensions icon (the puzzle piece) located in your toolbar.

5. In the drop-down menu that opens, click the Pin icon to the right of Recast Right Click Tools for Intune.

### Google Chrome Browser Extension

To add the Chrome browser extension:

1. In the Google Chrome web store, navigate to [Recast Right Click Tools for Intune](#).
2. Click **Add to Chrome**.
3. Confirm that you want to add Recast Right Click Tools for Intune by clicking **Add extension**.

# Recast

4. Make the extension visible in your browser toolbar by clicking the Extensions icon (the puzzle piece) located in your toolbar.

5. In the drop-down menu that opens, click the Pin icon to the right of Recast Right Click Tools for Intune.
