# Install and License Right Click Tools Community Edition

Last Modified on 01.14.25

## License Right Click Tools Community Edition

As a new user of the Right Click Tools Community Edition, you can license the software by creating a free Recast account and downloading your license from the Recast Portal.

To create an account from the Portal Login:

1. On the **Portal Login** page, click **Don't have an account yet?**.

Register

You'll receive a confirmation code by email with instructions for confirming your account registration.

## Download Your Community Edition License

You can download or copy licenses for your Recast Software products and components from the Recast Portal.

To locate your Recast licenses:

1. Log into the [Recast Portal](#) using your account credentials.
2. Click on the Download Licenses icon (the cloud) in any row to download a .zip file that contains all of your Recast licenses.
