

# View or Edit User Role Permissions

Last Modified on 02.26.25

To view or edit the permissions associated with a Recast role:

1. Under Recast Roles, click **Permissions** to the right of the role.

## Recast Roles

| Name           | Actions   |
|----------------|---|
| Administrators | <a href="#">Rename</a> <a href="#">Permissions</a> <a href="#">Delete</a> |
| Read Site      | <a href="#">Rename</a> <a href="#">Permissions</a> <a href="#">Delete</a> |

2. In the Role Permissions window that opens, expand categories to view or edit individual permissions.
