> **Not sure which browser extension version you're running?**
>
> You can check the browser extension version by clicking the Recast icon in your toolbar. Alternatively, click the Extensions icon (the puzzle piece) located in your toolbar and select Recast Right Click Tools for Intune to see details.
>
> The browser extension updates automatically (typically within 24hrs) once a new version is approved for the Edge Add-ons Store or the Chrome Web Store.
