URL Parameters

Last Modified on 2026-09-24

The URL parameters described in this article can be used to configure the look and feel of Application Workspace. You can combine multiple parameters within a URL. For example `sso` with `embed` and `background`, all enabled: `https://workspace.recastsoftware.com/?sso=1&embed=1&background=1`

> Case-sensitive
> All the parameters listed below are case-sensitive.
> Where applicable, the 0 value means disabled and 1 means enabled.

Option	Default value	Description
sso	0	Enable or disable Single sign-on.
embed	0	When enabled, Application Workspace will display a more simple interface for iframes. The Side Menu and tabs (**Workspace**, **Contacts**, **Catalog**, **Manage**) are hidden. Only the toolbar without the Side Menu toggler is displayed.
text-color		Set the color of text for app icons in the **Workspace** tab. The values have to be hexadecimal without the # prefix, e.g.: `https://workspace.recastsoftware.com/?embed=1&text-color=000000`
text-shadow	0	Enable or disable the text shadow for app icons in the **Workspace** tab.
background	0	Control user background image. If enabled, in order to work, you must also enable the `embed` option.
sidemenu	[empty]	Display only a part of the Side Menu: • default (show all parts) • filters • tags • teams If no value is given, then the whole Side Menu will be hidden. In order to work, you must also enable the `embed` option.
contextmenu	1	When enabled, the context menu is available across Application Workspace Launcher.
identitySource		Set as default a specific identity source. You can also enable the `SSO` option to trigger SSO for the identity source you specify, when multiple ones are visible.
page		Display a specific page when the user logs in. The available options are: • catalog • manage • contacts • userportal • package The package parameter can be extended by adding a package ID as follows: `https://workspace.recastsoftware.com/?page=package&id=packageID`
tiles	0	When enabled, Application Workspace Launcher uses the tile-themed skin.
