Refresh Zone Licenses

Last Modified on 2026-10-28

This task refreshes zone licenses and notifies you when a license is updated or requires renewal. Updated licenses are installed automatically.

During the zone license refresh, an updated report becomes available at **Manage** > **System** > **Licensing**. To learn more about this report, see Licensing.

For more information about the **Overview**, **Notifications**, **Schedule** and **History** screens, see Scheduled tasks.
