View Your Contacts

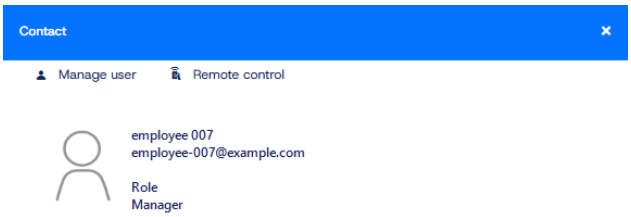

Last Modified on 2026-11-02

Application Workspace's **Contacts** tab displays contact information for your coworkers.

Details can include:

- Name
- Email address
- Job title
- Manager
- Company
- Department
- Description
- Address
- Fax
- Mobile phone number
- Telephone number

Click on a coworker's image or contact information to open a Contact card which includes additional detail.

CONTACT NOTES:

- Clicking on the Manager link brings you to the manager's contact information.
- The **Manage user** and **Remote control** functions on the Contact card are only available for users with administrator rights.
