

Application Workspace 4.5.4347 (Preview)

Last Modified on 2026-08-24

Release Date: August 24, 2026

Application Workspace v4.5.4347.5846 includes bug fixes.

You can download this release from the **Preview** tab at [Application Workspace Downloads](#).

Bug Fixes

- You can open local and network folders without an 'Access is denied' error
 - You can drag a folder without seeing an 'Unable to extract icon' error
 - App settings events are stored as expected
-
-
